Sophisticated Elegance

DAYDREAM 75-C PILOTHOUSE MOTORYACHT

A Luxury Vessel that fulfills your cruising dreams

Our Cheoy Lee vessels are built to Australian Marine Electrical Standards AS3000.

*** Electrical Survey Certificate issued. Stabilizers & electronic navigation instruments included.**

The elegant new DAYDREAM 75-C is designed for comfortable cruising in tropical Australia. Flow through ventilation, large opening ports with screens, efficient aircon when you need it makes for relaxed cruising in the still pristine great coral areas to our north. The subdued elegance of attractive granite finishes to vanities, (even a granite patterned floor in main stateroom ensuite) lights and taps with sparkling gold trim, mirrored cupboards, bright soft furnishings all go to add excitement and warmth to your new-found comfort cruising. Vessel is built to Survey. Price includes Zodiac tender with 4 – stroke motor, colourful fore-deck and sun beds fitted. Flybridge features sun-protection Hardtop, weather protection U.V. clears with zippered openings, BBQ grill, fridge, sink, cupboards, large L-settee and table and twin forward facing “captains” seat.

The DAYDREAM 75-C, is a unique, superbly finished vessel – built by Cheoy Lee.

CHEOY LEE
YACHTS AUSTRALIA 

DAYDREAM 75-C PILOTHOUSE MOTORYACHT

A New Generation of Cheoy Lee Luxury Yachts Designed and Built for Australia

CONSTRUCTION

- Hull, deck and superstructure of DIVINYCELL cored fiberglass
- Extensive use of bi-axial and multi-axial E-glass reinforcement
- Integral fiberglass fuel, fresh water and holding tanks with baffles and cleaning manholes
- Moulded stabilizer pads for stabilizers
- Fiberglass rub rail with stainless steel capping
- Tinted (except pilothouse) tempered, glass windows, utilizing high strength, adhesion style window system
- Awlcraft 2000 exterior finish
- Awlgrip non-skid exterior decks
- Vinylester laminate and epoxy barrier on hull bottom with 5 year anti-osmosis warranty
- Two coats of antifoul bottom paint

DECK

- All hardware chrome on brass, 316 stainless steel or anodized/painted aluminum
- Vertical anchor windlass, MAXWELL VWC 3500 (24vDC, 3500 lb.), with 3/8" chain cathead and rope capstan, deck pipe and chain stopper. Local controls with remote at both helm stations. Double chain roller fitted to extended twin-roller anchor bow platform
- 175 amp-hour battery, 24vDC, stored in forward stateroom for windlass service
- 66 lb. BRUCE anchor stowed on bow roller assembly
- 30 fathoms 3/8" high tensile galvanized chain
- Fresh water anchor wash down
- Twin trumpet air horn
- Stainless steel bollards (8)
- Stainless steel fairleads
- Stainless steel bow rails 1.25", with mid rail
- Stainless steel burgee flag staff on bow rail
- Navigation lights – commercial grade, heavy duty
- Walkway lighting on side deck overhangs
- Flag staff
- Boarding gates, port and starboard
- Step plate located at deck entrances
- Scuppers draining to boot top
- Foredeck molded seat (storage under) with upholstered cushions

ELECTRICAL SYSTEMS

- 240vAC 50 cycle and 24/12vDC electrical panels, main panels in engine room and zone panels throughout vessel
- ACR 100 searchlight with dual station remote control
- Halogen overhead light fixtures throughout
- Valance lights and floor lighting to be 24vDC rope lighting
- Wardrobe lights, automatic

- Emergency lights, 24vDC, automatic at loss of AC power, to incorporate floor and stairway lights and selected overhead lighting. Removable emergency flashlights in each stateroom
- 24vAC reading lights
- 240vAC receptacles in galley, heads and exterior are protected with GFI safety breakers
- Two banks of 24vDC 210 amp-hour batteries for engine starting and ship service
- Emergency engine start battery parallel system, dual station
- 12vDC 175 amp-hour battery for generator starting
- 12vDC 20 amp battery charger
- One 24vDC 210 amp-hour gel battery bank, with 24vDC 60 amp battery charger and 50 amp VANNER 12vDC power supply, with spare 24/12vDC circuit breakers in sub-panel for electronic use
- GLENDINNING Cablemaster shore power cable retrieval system, for 240vAC 32 amp service, with 100 ft. cable
- Shore telephone inlet, located in transom locker
- Shore cable television inlet, located in transom locker
- Electric copper bonding system, connecting all through hulls and major metal components to exterior hull zinc anodes
- Isolation transformer (15 kVA), for shore power system
- DYNAPLATE grounding plate and strap to pilothouse and flybridge ground terminal boards
- Voltmeters and ammeters for supply circuits
- Generating sets/shore power selector switch
- LCD touch screen control/alarm monitoring system with audible and visual signals displayed on Programmable Logic Controller (PLC) located in pilothouse for generator low oil pressure, generator high temperature, high bilge level, and smoke detectors (engine room, staterooms, galley, salon). Security alarm sensors on all doors and hatches. Navigation light control and monitoring.

ENGINE ROOM / MACHINERY

- Twin Turbo charged CATERPILLAR C18 (1,000 bhp each) diesel engines, fresh water cooled, electronic injection / governor, standard engine maker instrumentation, 24vDC start with 75amp alternators
- Village Marine SPW800, 33 GPH desalinator with UZ sterilizer and auto push button panel.
- Local mounted start/stop instrument panels for main engines and generator
- Underwater exhausts, with bypass and fiberglass mufflers
- 1 ONAN generator 22.5kW with sound guard & 1 ONAN generator 17.5kW with sound guard
- 240vAC reverse cycle chilled water air conditioning (except engine room)
- CENTEK combo generator muffler, air/water separator type, with hull side exhaust
- Engineered engine room ventilating system, with intake blowers taking air in via air/water separator filters

DAYDREAM 75-C PILOTHOUSE MOTORYACHT

A New Generation of Cheoy Lee Luxury Yachts Designed and Built for Australia

- Fire protection consisting of manual and automatic actuated fire extinguisher system. Upon system actuation audio/visual alarms sound, blowers are shut down and hull side ventilation inlet dampers are closed
- Power hydraulic steering system, including valves for optional autopilot installation
- Engine driven emergency bilge pumping system for engine room bilges
- AMERICAN 12", 12hp TRAC 24vDC electric bow thruster with dedicated battery bank
- Track 220, 4.5 digital 3-term hydraulic stabilizers
- Lube oil change system with manifold and hoses to all engines and gearboxes
- RACOR fuel filters for the main engines, manifold to allow filter change underway
- RACOR filter for generator
- Water heater 30 gallon, (113 lt) dual element, and quick recovery type
- Cartridge style whole system water filter unit
- Fresh water hose bib
- Automatic sump pumps
- Automatic bilge pumps, for each separate compartment in the vessel
- Open plan Engine room with ring frame, not bulkhead between engine and generator spaces
- GRUNFOS 1 hp AC water pump with accumulator tank, for fresh water pressure system
- Fuel management system consisting of fuel shut-off valves, fuel transfer pump with meter system and selector manifold
- HART Tank Tender gauges for fuel, fresh water, black water and grey water tanks, pneumatic pump type
- Black water tank level indicator and high level alarm
- Black water holding tank system with macerator pump for pump out of holding tank direct over board or to vented deck fitting for shore side disposal
- GROCO bronze raw water strainers, all engines and sea water pump intakes
- Seacocks on all through hull fittings below the waterline
- Fiberglass battery boxes
- Battery condition indicator
- Engineered sound vibration and noise attenuation system for engine room spaces consisting of lead tile sound barriers and mylar faced synthetic lead-foam insulation covered with white painted aluminum perforated sheeting. Custom sound mounts for main engines, generator, engine room stanchions, head pumps/motors, air conditioning compressors and sea water cooling pumps
- Drip trays under engines
- SEASHAFT 22 or equal propeller shafts
- Stainless steel rudder blades
- Nibral propeller shaft struts
- Nibral propellers, 5 blade, class S, dynamically balanced
- DURAMAX cutlass rubber stern and rudder bearings

- PYI packless shaft seals
- 240vAC explosion proof, fluorescent lights
- Automatic 24vDC emergency lights
- Smoke detectors
- Telephone jack
- 240vAC outlets (2), GFI type
- Watertight transom door to tank space and engine room
- Watertight emergency escape hatch from engine room / utility/ crew space to master stateroom

PILOTHOUSE

- TELEFLEX/HYNAUTIC hydraulic power steering
- KE5 Morse Auto control heads
- Engine instrumentation and alarms
- CROWN Mariner helm chair – black deluxe
- Alarm panel (see Electrical Systems)
- Instrument and electronics console – planned instrument positioning
- Remote control for anchor windlass
- Windshield wipers with fresh water wash system
- Weather tight fiberglass pantograph doors to side decks
- Halogen ceiling lights with control/dimmer switch
- Red night light and switch

FLYBRIDGE

- Morse KE5 chrome silver control heads and one plug-in in cockpit (stbd side forward) and one on bow
- TELEFLEX/HYNAUTIC hydraulic power steering
- Custom moulding for fairing at sides of hard top & two additional stainless steel support posts
- Engine instrumentation and alarms
- Fiberglass instrument and electronic console
- Stainless steel framed acrylic windscreen
- Stainless steel rails at sides of aft deck
- Hatch and ladder to aft deck
- Stainless steel rails around aft hatch/ladder with stainless steel gate
- Fiberglass radar arch with flush mounted lighting
- CROWN Mariner helmsman's seats (2)
- Painted fiberglass L shape settee and table, with storage and Sunbrella covers
- Scuppers and drainage system for water to lower deck
- Lightning arrester system
- Moulded fiberglass unit with sink, 4 draws, hot/cold-water faucet & fresh-water wash down hose
- Icemaker/combo refrigerator unit
- 240vAC outlets (3), GFI type
- Stainless steel framed tempered glass sliding hatch covering circular staircase down to pilothouse

DAYDREAM 75-C PILOTHOUSE MOTORYACHT

A New Generation of Cheoy Lee Luxury Yachts Designed and Built for Australia

- ACR 100 quartz halogen search light, remote dual station control
- Twin trumpet air horn
- 1500 lb davit with manual rotation

GALLEY AND DINETTE

- Stainless steel range/oven unit with range-hood
- Stainless steel microwave oven
- Stainless steel side-by-side refrigerator/freezer with ice dispenser
- Stainless steel dishwasher
- Stainless steel double sink
- Soap dispenser
- Garbage disposal
- Faucet with removable sprayer handle
- Cabinets, upper and lower plus drawers
- Granite counter top with stainless steel fwd retaining rail
- Smoke detector
- Halogen ceiling lights
- Under cabinet lights
- 240vAC outlets (2), GFI type
- Raised dinette with U-shaped seating and storage under. Pedestal mounted dining table with Teak top

SALON

- Wet bar with Refrigerator/icemaker combo unit with retaining rail
- Liquor and glass storage
- Sink
- Smoke detector
- Halogen ceiling lights with control/dimmer switches
- Valance lights and floor lighting with control switches
- Emergency lighting
- Curved Settee
- Windows are mildly tinted, tempered glass – adhesion frame style
- Luxa-flex blinds
- 240vAC duplex outlets (3) in salon
- Heavy Duty Stainless steel framed tempered glass sliding door to aft deck with centre-lock position

MASTER STATEROOM AND HEAD

- Queen berth, with storage drawers under
- Two night tables
- Stainless steel framed tinted, tempered glass opening ports with screens and hold-open arms
- Smoke detector
- Extra large walk-in robe/cedar lined

- Tall-boy, bookshelves with drawers and removable retainer bar (wood). Locker and vanity with mirror doors and slide-out drawer
- Emergency escape through watertight door in closet aft bulkhead
- Settee with Ultra Leather “almond” fabric
- Vanity unit with mirror
- Halogen ceiling lights with control/dimmer switch
- Valance lights and floor lights with control switches
- Two reading lights with gold feature finish
- Mirror on closet door
- HEADHUNTER electric head (fresh water flush)
- Jacuzzi type tub with shower
- Full-size shower
- Mirrored medicine cabinet
- Exhaust blower
- 240vAC duplex outlets (3) in stateroom, two GFI type in head
- Washer dryer in entry foyer

PORT GUEST STATEROOM AND HEAD

- Twin lower berth, with storage drawers under
- Two reading lights
- Smoke detector
- Ample storage
- Wardrobe, cedar lined on back surface mirror on door
- Halogen ceiling lights with control switch
- Valance and floor lights with control switch
- Stainless steel framed tinted, tempered glass opening port with screen and hold open arm
- Stall shower
- Mirrored medicine cabinet
- Faucets and bath accessories
- Corion counter top with moulded sink, superior quality gold-trim fittings
- Exhaust blower
- HEADHUNTER electric head (fresh water flush)
- 240vAC duplex outlet (1) in stateroom, one GFI type in head

FORWARD GUEST STATEROOM AND HEAD

- Island queen berth with storage drawers under
- Smoke detector
- Wardrobe, cedar lined on back surface mirror on door
- Halogen ceiling lights with control switch
- Valance and floor lights with control switch
- Two reading lights
- Stainless steel framed ventilation
- Stainless steel framed tinted, tempered glass opening port with screen and hold open arm
- HEADHUNTER electric head (fresh water flush)

DAYDREAM 75-C PILOTHOUSE MOTORYACHT

A New Generation of Cheoy Lee Luxury Yachts Designed and Built for Australia

- Stall shower
- Faucets and bath accessories
- Corion counter top with sink
- Mirrored medicine cabinet
- Exhaust blower
- 240vAC duplex outlets (2) in stateroom, one GFI type in head

AFT DECK

- Stainless steel and teak ladder to flybridge
- Fiberglass settees with upholstered cushions
- Stainless steel gate to sport deck / cockpit
- Stairs to transom sport deck / cockpit
- Overhead lights with control switch

TRANSOM SPORT DECK

- Stainless steel swim ladder
- Fresh water telephone shower head, hot and cold
- Locker for shore services
- Watertight pantograph door to engine room
- Hinged cleats port and starboard (not for towing)
- 2 Large storage areas with hinged teak hatches – grate floors

AFT COCKPIT

- Painted non-skid deck
- Hinged door to swim platform
- Hinged cleats port and starboard (not for towing)

OWNER'S DOCUMENTATION

- Vessel supplied with list of major equipment, serial numbers and manufacturers' contact details. Manufacturer equipment manuals will be supplied as available. Drawings for major systems, safety and docking plans are supplied on CD

NOTES TO SPECIFICATIONS

- (A) Capacities are estimated to be total capacity of all constituent tanks +5%-. Usable capacities will vary depending on conditions.

DELUXE PACKAGE INCLUSIONS

HULL

- ¾" Black stripe below deck edge - one inch gap between antifouling & boot stripe
- 6 large opening ports with bug screens and 7 small opening ports with bug screens
- Mahogany door jambs throughout

DECK

- Two Sun beds on foredeck with Sunbrella covers on cushions
- Saltwater wash down for anchor cleaning
- Two Maxwell VC1500 warping capstans with foot switches on aft lower deck
- Teak deck on aft deck and stairs to cockpit, lower cockpit decking
- Bow sprit with double chain roller

ELECTRICAL

- Additional Tank Tender – unit at lower helm station
- Intercom system
- Flood light on aft deck overhang to illuminate cockpit
- 2 Underwater lights
- Outback VFX inverter (3000W, with 85amp charger) including 6 12HHG325 batteries as a house bank

NAVIGATION EQUIPMENT

- Two e-120 12.1" LCD colour Multifunction display
- One E80 Multifunction display P/n E02011
- Pathfinder 4kw/48mm/24" Raydome/15m cable
- E Series seatalk HS cables
- E series seatalk HS 8 way junction box
- Raystar 125 WAAS SDGPS Antenna with cable
- Raystar 240 VHF EU Marine Main station
- 4ft Whip Antenna VHF
- DSM 300 Digital sounder box P/n E63069
- Depth/temp TH Bronze transducer (1KW) P/n E66058 (including plastic fairing block)
- ST8001 Control display
- Smart pilot S3G with built in Gyro 24v c/w course computer
- Rudder feedback unit with fluxgate compass
- Type 3 hydraulic pump
- Seatalk cable for keypad
- Raynav RNS5000 Monitor (M1500 display)
- E series Video VGA cable 10m
- Raynav RNS5000 keypad

DAYDREAM 75-C PILOTHOUSE MOTORYACHT

A New Generation of Cheoy Lee Luxury Yachts Designed and Built for Australia

PILOTHOUSE

- 2 cup holders and 5" deep storage trap with hinged lid
- Magazine storage rack
- Steering Wheels - Edson 645 ST-24" Upper station / Edson 603 CH-26" Lower station
- Ritchie 5" compass with light and cover at both helm stations
- 3 vents under pilothouse. Vents will be ducted to Pilothouse for fresh air intake

FLYBRIDGE

- Hot water added to sink
- Telephone jack
- BBQ grill installed with fiberglass cover & auto cut out switch on cover
- Teak deck including stairs to BBQ (BBQ area non-skid paint)
- Sony CD, AM/FM stereo with water-proof housing & flush mounted water-proof speakers
- Moulded double seat on raised platform, cushions with Sunbrella covers, storage space under seat

GALLEY AND DINETTE

- Sliding windows dinette, galley, lounge for flo-thru ventilation
- Sink infill pieces
- Bosch stainless steel rubbish bin
- Extra storage dinette/pilothouse area
- 'Chef' heavy-duty food/drink mixer

SALON

- Entertainment cabinet, BOSE unit 'Lifestyle' System with DVD/CD receiver, infra-red controls & digital receiver
- Playstation 3
- Wireless earphones
- Settee fabric upgraded to Ultra Leather "almond"
- Electric up-down Saloon table
- Sconce lights on saloon mullions (4), hand-painted Italian Palagi lights
- Gloss wood bull nose on stairs from saloon to pilothouse
- Pop-up TV mechanism with TV fitted
- Soffit ceiling unit as saloon feature with indirect lighting
- Ample storage
- Built in Cappuccino/Esspresso machine with storage drawer underneath

MASTER STATEROOM AND HEAD

- Entertainment cabinet with Pioneer DVD/CD system fitted, digital receiver, am/fm radio

- Wall mounted TV
- Telephone jack
- Head floor with granite insert feature
- Faucets and bath accessories with gold feature finish
- Granite counter top with two sinks
- Luxa-flex blinds

PORT GUEST STATEROOM AND HEAD

- Wall mounted TV
- Telephone jack
- Hatch over guest heads including bug screens
- Luxa-flex blinds

FORWARD GUEST STATEROOM AND HEAD

- Second entry door to head
- Wall mounted TV, digital receiver, DVD player
- Telephone jack
- Luxa-flex blinds
- Hatch over guest heads including bug screens

CREW QUARTERS

- Sleeps 2
- Head with shower
- Wall mounted TV, DVD
- Air-conditioned
- Intercom
- Hanging locker, cedar lined
- Port light openings with mesh screen

AFT DECK

- Finished in solid teak timber
- Freeman doors on each wing with upper clears, heavy-duty catches & storm proof seals
- Flag-staff stainless steel – polished

TRANSOM SPORT DECK

- Finished in solid teak timber
- Two courtesy lights

AFT COCKPIT

- Finished in solid teak timber
- Two courtesy lights
